我沒	Comment	
		The trains with
	canks propably c	ame from Koenigsbrueck and detoured the Saxon industrial
	area to the north	Previous reports indicated that the components of this
	division started	departing from Koenigsbrueck in mid-October 1951.
特別的	Comment.	Ill units observed were components of the 6th Gds AAA Div.
		observed one train with troops of this division
	ceparting on 24 (October and another train arriving on 25 October.
[. The information indicates that components of this
	division were bet	ng rotated between Chemnitz and Koenigsbrucck at the end
	of October and the	e beginning of November 1951.
